

# International Conference on Futuristic Advances in Mechanical Engineering for Aerospace and Defence (ICFAMEAD 2024) 20-21 September 2024

## ABOUT ICFAMEAD 2024

The International Conference on Futuristic Advances in Mechanical Engineering for Aerospace and Defence (ICFAMEAD 2024) will be held at Symbiosis Institute of Technology (SIT), Pune, from September 20-21, 2024. The conference will be organized jointly by the SIT, Pune and Space Society of Mechanical Engineering (SSME), SAC, ISRO, Ahmedabad.

Jointly organised by  
Symbiosis Institute of Technology, Symbiosis International (Deemed University), Pune, India  
and  
Space Society of Mechanical Engineering (SSME), Space Application Centre (SAC), ISRO, Ahmedabad

## SCOPE OF ICFAMEAD 2024

ICFAMEAD 2024 aims to be one of the world's leading international conferences. It will provide an exciting environment for researchers to present and discuss the latest engineering technologies and futuristic advancements in their applications for aerospace and defence systems. ICFAMEAD 2024 will also provide an ideal environment to develop new collaborations on the fundamentals, applications, and products of the mentioned fields. This conference includes invited keynote talks by distinguished experts from industry and academia, industry presentations, and many parallel technical sessions spread over three days. This would also serve as a platform for young researchers to interact with academics, industry experts, R&D professionals and get motivated further to produce high-quality research.

The ICFAMEAD-2024 encourages and invites the submissions of original research papers, review articles, and case studies that address the conference themes as mentioned below. Presenters will have the opportunity to showcase their work through oral and poster presentations.

1. Fluids and Thermal Engineering
2. Materials and Manufacturing Science & Technologies:
3. Design Engineering
4. Robotics and Automation
